

Leadership Academy

Your organization's *success* depends on getting the *work* done through engaged *people*. At Dering we have simplified this thinking to...

$$\text{Success}^2 = \text{Managing Work} \times \textit{Leading} \text{ People}$$

The Dering LEADERSHIP Academy service helps you realize the LEADERSHIP potential of your supervisors. And for you, the ROI includes increased engagement scores, more on-time/on-budget work/projects and increased employee retention.

Why Dering?

- ✓ *We incorporate your mission, vision, goals and important, strategic messages.*
 - ✓ *Your supervisors demonstrate their learning by applying it to the real challenges of your organization.*
 - ✓ *Our leadership curriculum is designed to have learners discover concepts through personal and shared experiences.*
 - ✓ *Proven success with a wide variety of organizations and industries.*
-

You make the decision...

Together, we select the leadership lessons...

Dering does the rest...

Call us to learn more about how Dering can design, adapt, administer and deliver a Leadership Academy tailored to your organization.
